E fauhia e ki tatou he lumanaki makeke, kafai ki tatou e tutu fakatahi.

Break the cycle of family harm. Conflicting mindsets and accepted behaviour's enable it. Our solution targets intergenerational breakdowns of cultural values. Let's illuminate the issues and guide Tokelau families towards well-being and cultural awareness. Together, we'll build a stronger future.

We want to see a more connected and informed Tokelau community living lives with strengthened wellbeing by investing in what matters to them, their families and Tokelau collective communities.

We want to contribute to a thriving Aotearoa by nurturing our Tokelau Kaiga Maopoopo values, culture, language to survive our generations to come.
